

ALMOST ALL COLORADO SENIORS QUALIFY FOR A STIMULUS CHECK OF AT LEAST \$300:

In early February, Congress passed a stimulus package to boost the economy and provide a helping hand to those who need it most—Colorado’s working families, seniors, and disabled veterans. *Individuals who already file a federal tax return do not need to take any further steps to receive their rebate.* **HOWEVER**, seniors on a limited income who normally do not file a tax return must fill out the two-page 1040A form (pictured below) to receive their check from the IRS.

THE STEPS ARE SIMPLE:

1. Write the words “Stimulus Payment” across the top of a 1040A form.
2. Fill out the label section with your name, address, and Social Security number.
3. Just below, check the appropriate box for filing status (single, married, etc.).
4. In box 14a, fill out your actual or estimated Social Security income for 2007.
5. For direct deposit of the rebate into your bank account, fill out lines 44 b, c, and d.
6. Sign the return and mail to: Department of the Treasury

There are reports of individuals posing as IRS agents on the phone and via e-mail seeking personal and financial information. By exercising a little caution, you can protect yourself from scams and fraud.

- **YOU** will determine how you want to receive your check from the IRS by filling out the 1040A or other applicable tax form.
- **DO NOT** give out any personal or financial information over the phone or via e-mail if someone inquires about your IRS check.
- **NO ONE** from the IRS will be calling you or e-mailing you for information. The only way to receive your money is by filing with the IRS.
